Phillip – we have the 2009 bathy data for Portland Harbor. You need to put in a FOIA request for it. (b) (6)
[REDACTED]. If you put in the request while I'm gone, I'll get it to you as soon as I get back.

Thanks,

Hi Lori –

I hope your Monday is going well. We are trying to locate the 2009 bathymetry data for the Portland Harbor site. We looked both on the LWG portal and the NOAA website. I asked Sean Sheldrake and he does not know. Can you point is in a direction or tell us who we might contact. Please advise.

Thanks in advance.
Philip
